FAQs:

My password doesn't work?

Make sure you have typed the password correctly using case sensitive letters/numbers. All logins begin with 'lta' (as in Lawn Tennis Association).

I need to add a player to the club list?

If a player is not in the drop down box when inputting the rubber results you must 'Add player' and select the 'Add new player' tab (once in the system, player names will remain there for future matches). Add the player's details correctly, including British Tennis Membership number and click 'Ok'.

To find a player's BTM number use the player search function at

<http://www2.lta.org.uk/search/playersearch/>

You will not be able to add players without their BTM number.
